DESCRIPTION

Mathieu Matégot creates his legendary pieces in 1950s. The three-legged Nagasaki Chair is still Matégot's best known piece. The Coatrack is an unusual and attractive alternative to the uninspiring coat racks typically found in modern entrances. Besides the coatrack the collection consists of Nagasaki chair, Nagasaki stool, Kangourou sofa table, Dedal bookshelf, Demon shelves, Trolley and Copacabana collection. All models are made of powder-lacquered steel.
