## Extension Chair

The Extension chair is a translation of how a chair is used. Vroonland draws on the manners and customs of how we use a chair, transforming it into a coathanger seat. What Vroonland intrigues is that technology, craftsmanship, storytelling and the actual physical contact all comes together in this one design: a chair.

<b>Designer</b>	Sjoerd Vroonland
<b>Year of design</b>	2010
<b>Material</b>	Solid Beech
<b>Additional</b>	Comes standard with a little hook ("Handbag-hanger") accessory, other extensions are optional
