

# FISH & FISH FURNITURE

Paola Navone

# SERAX

The idea for the Fish&Fish furniture collection came to designer Paola Navone while she was working on her tableware collection. An informal 'nest' of seats and side tables that can easily be moved around, both indoors and outdoors, redecorated with different colours and cushions, following the moods and seasons as they come and go.

White & black lacquered metal continuous lines are shaped into objects with a fishbone motif that look like they have been drawn in the air. A smooth reflection of how the artist moves through life: free, like a fish in Mediterranean waters.

## PAOLA NAVONE

Straightforward, a dreamer and eclectic: Paola Navone's mind and soul are a combination of the flavours and colours of the South together with the taste and forms of the West, rich in traditions, open, and continuously in movement: a combination that leads to an unstoppable curiosity, a relentless search for ideas and materials, forms and structures; a quest into the past, present and future.

Over the past four decades, Paola Navone has undeniably earned her plaudits in the world of design and decoration, with quite a few awards to show for it. As an architect, product designer, art director, interior decorator, industrial surfaces planner, and creator of exhibitions and events, she has put her artistic stamp on many a restaurant, exhibition, showroom, bar, office, and store around Europe, America and Asia. As an artist, Paola doesn't want to design systematically, she wants to be free. Free to be a citizen of the world, unburdened by borders and frontiers - she wants to look and discover. With the mind-set of an anthropologist and historian, she doesn't want to throw away the past, she wants to breathe new life into it, letting it intertwine with the present and the future. Endless, limitless and inexhaustible.

## FRAMES

### MATERIALS

Aluminum

### OPERATIONAL USAGE

Threated and powder coated for outdoor use  
(zinc primer coating / epoxy polyester top coating)

## FABRIC CUSHIONS

### MATERIALS

100% polypropylene filled with aqua foam  
100 class 1 Oeko-Tex certificate

### OPERATIONAL USAGE

Suitable for outdoor use  
Bacteria resistant  
Heavy trampling resistance  
Dirt repellent  
Recyclable

### SPECIAL CARE INSTRUCTIONS

All details can be found in care instruction leaflet included in packaging.
