

Fabula Living - How to care for your rug

We always recommend that you use an underlay to extend the life of your rug. An underlay ensures that the rug remains in a fixed position. It also reduces the risk of any staining.

Some of our kilim rugs are reversible. We recommend that you turn your rug over every six months.

Do not place your rug in direct sunlight.

Daily cleaning:

- Vacuum your rug as needed. Never vacuum your rug with the brushes of your vacuum cleaner nozzle in the extended position.
- You can also give your rug a gentle shake outside. Do not beat your rug.

Spot cleaning, only woolen rugs:

- Dab the spot very gently with a damp cloth soaked in carbonated water.

More thorough cleaning:

- We recommend professional cleaning.
