

Thalya

Patrick Jouin 2008

A contemporary remake of a classic chair, Thalya combines simplicity and strong graphic design. This transparent polycarbonate chair has sinuous, elegant, soft and almost feminine lines. Made using gas-injection technology, Thalya has rounded edges, hollow legs and a unique "reticular" pattern along the seat and backrest. Its subtle graphics give Thalya's minimal and elegant shape movement and highlights, amplifying its ethereal fascination. A selection of elegant colours make it the perfect addition to the most stylish ambiances.
