Umbrella Squid Duvet Cover Set

MOOOI

The Umbrella Squid duvet cover set is part of the Extinct Animals bedding collection. The subtle jacquard weave on the duvet cover set depicts the magical skin of the Umbrella Squid, which was covered with luminous jewels that changed colour. Light and shadow alternated gracefully in a magical underwater world of movement and colour. The reverse side is dyed in a solid colour. The pillowcases feature an Oxford edging with decorative cord piping. The Umbrella Squid duvet cover set is made from 100% cotton sateen for an extra soft and smooth feeling.

Detailing

100% (300 TC) high-quality cotton in a luxurious jacquard and smooth sateen weave for better nights.
