ECHO POUF

"Inspired by the idea of repetitions, the Echo Pouf has a simple and elegant expression through its modern lines and soft seat, allowing for the design to be repeated throughout any space to create visual echoes of its form."

— Anderssen & Voll

INTRODUCING THE ECHO POUF BY ANDERSSSEN & VOLL FOR MUUTO

The Echo Pouf is a simple and friendly design bringing comfort and function to any space with its clear lines and small feet for a hovering, light expression. With references to its name, the Echo Pouf allows for the design to be repeated throughout any space to create visual echoes of its form.

The Echo Pouf comes in three sizes and various made-to-order upholsteries from Kvadrat, allowing for the design to be mixed and matched when used in symmetric formations or vibrant clusters. With its elegant expression through its modern lines and soft seat, the pouf is the ideal accompaniment to any sofa setting, lobby area and hotel room while also working well as an extra seat.

ANDERSSSEN & VOLL ON THE DESIGN:

"Inspired by the idea of repetitions, the Echo Pouf has a simple and elegant expression through its modern lines and soft seat, allowing for the design to be repeated throughout any space to create visual echoes of its form."

ABOUT ANDERSSSEN & VOLL

Torbjørn Anderssen and Espen Voll work within various fields of design with an emphasis on domestic objects; an area in which they have designed a number of Muuto products. Receptive to cultural influences and current trends, they apply their knowledge in forward-thinking ways to generate ground-breaking and desirable products for the home. The duo has received numerous awards for their work, including The Wallpaper Award, Red Dot Award, IF Award and Honorary Award for best design in Norway.

ABOUT MUUTO

Muuto is rooted in the Scandinavian design tradition characterized by enduring aesthetics, functionality, craftsmanship and an honest expression. By expanding this heritage with forward-looking materials, techniques and bold creative thinking, our ambition is to deliver new perspectives on Scandinavian design.
